			Fill & Seal Machines: Bag <input type="checkbox"/>

Filling Machines: Liquid Powder Volumetric cup Volumetric piston Weigh

Gas Flushing Equipment: **Heat Sealing Machines:** Bags Ready meal containers

Inspection Machines: Cap inspecting Foreign body detecting Vision Systems

Labelling Machines: Label design software Label dispensing Pressure sensitive labelling

Lidding Machines: Press on lidded Print & apply Thermal

Pallet Stretch Wrapping Machines: Automatic Metal Detectors: Semi-automatic Pallet Shrink Wrapping Machines:

Palletising Machines: High level Lift-off Low level Multi-layer Robot

Pick & Place Machines: Ready Meal Equipment: Robots: Shrink Tunnels: Hot air

Shrink Wrapping Machines: Sleeve wrapping - twin reel Sleeve wrapping - single reel

Second Hand Equipment:

Stick Packing Machines: Liquids and Pastes Powders and Granules Tray Erectors: Tray Form Fill & Seal:

Tray Loaders:

Vacuum Packaging Machines: Heat sealing Vacuum packaging

Weighing Machines: Batch Gross Loss in weight Nett Selective combination

Wrapping Machines: Banding machines L-sealing machines: automatic L-sealing machines: semi-automatic

Overwrapping machines (envelope fold) Stretch film wrapping machines (tray/portion)

Process Indexes.

Bakery Equipment: Depositors Mixers

Bulk Handling Equipment: Bulk handling Food handling Liquid handling Powder handling

Solids handling

Complete Turnkey Processing Plant or Lines: Bakery Confectionery Cosmetics Food Pharmaceutical

Conveyors: Belt, Flat Belt, Trough Pneumatic conveyors Vibratory

Cookers: Batch Continuous Drying Machines: Conveyor **Elevators:** Belt Bucket

IBCS (Intermediate Bulk Containers): Emptying equipment Filling equipment Mixing equipment

Inspection Machines: Foreign body detecting machines Inspection machines X-ray inspection systems

Mixers: Agitators Continuous mixers Homogenisers In line mixers Powder mixers

Pharmaceutical Processing Machines:

Slicers and Dicers: Fruit and Vegetables Meat Other products

Vessels: Holding vessels Insulated vessels Storage vessels

Weighing Equipment: Bulk Hopper Weighing Machines Load cells

If the index heading that you want to see your company web banner appear under is not listed above please list them in the space below.

You can view all the available index headings at: <http://www.ppma.co.uk/indexes/machine.htm>
