

APPRENTICESHIP PROGRESSION GRANT (England, Wales and Scotland)

The Apprenticeship Progression Grant is available to all current apprentices that have completed a government approved scheme and will be progressing to next level apprenticeship.

Each applicant can apply for up to £500 towards equipment that they will need to help them with their apprenticeship. The applicant will be required to source the equipment, which PPMA BEST will reimburse upon proof of purchase. All equipment will remain the property of the apprentice.
